

Bullet For My Valentine - Worthless

Tom: **G**

Afinação Drop D: **D A D G B E**

You're worthless to me!

Have you nothing to say?
Can't you see what you're doing to me?
You keep breaking me down
But I won't let you get the better of me
I can't take anymore

Look at me
Is this what you want?

Look at me

I what you need?

One more word and I'm taking this all away
I won't take anymore

You can keep all your apologies
Those words are worthless to me

And I don't wanna hear that you're sorry
Your words mean nothing to me

Has this opened your eyes?
It was only a matter of time
I can't tell by that look on your face (on your face)
That you know, the tables have turned
No one's fault but your own

Look at me
Tell me what you see
Look at me
I what you need?

One more word and I'm taking this all away

I won't take anymore

You can keep all your apologies

Those words are worthless to me

And I don't wanna hear that you're sorry

Your words mean nothing to me

No I don't wanna hear that you're sorry

Your words are worthless to me

You can keep all your apologies
Listen to me!

You can keep all your apologies

Those words are worthless to me

And I don't wanna hear that you're sorry
Your words mean nothing to me

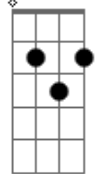

And I don't wanna hear that you're sorry
Your words mean nothing to me

And I don't wanna hear that you're sorry
Your words mean nothing to me

They mean nothing!
