

Bullet - The Last Fight

tom:

Intro: ^{Dm} ^{Bb} ^C
^{Dm} ^{Bb} ^C ^{Dm}

^{Dm}
 I don't wanna stand beside you
 I don't wanna try and feel the pain you're going through
 Till the death you've seen is through

^{Dm}
 Cold sweats, hallucinations
 I wanna scream to show the hell I'm going through
 The addiction's taking you

^{Bb} ^{Dm}
 Can you see me through bloodshot eyes (through bloodshot eyes)
 Should I fight for what is right or let it die?
 Now I'm choking on force fed lies
 Do I fight or let it die?

[Refrão]

^{Dm}
 I will fight, one more fight
 Don't break down in front of me
 I will fight, one more fight?
 I am not the enemy
 I will try one last time
 Are you listening to me?
 I will fight, the last fight
 I am not your enemy

^{Dm}
 Everyone is sick of caring
 No silver lining on the cloud that covers you
 Let it pour and soak you through
 No hope, just desperation
 So sit and wait for death and pray it takes you soon
 The addiction's taking you

^{Bb} ^{Dm}
 Can you see me through bloodshot eyes (through bloodshot eyes)
 Should I fight for what is right or let it die?
 Now I'm choking on force fed lies
 Do I fight or let it die?

[Refrão]

^{Dm}
 I will fight, one more fight
 Don't break down in front of me
 I will fight, one more fight?
 I am not the enemy
 I will try one last time
 Are you listening to me?
 I will fight, the last fight
 I am not your enemy
