

Burt Bacharach - Blue On Blue

Tipo de gaita: Diatônica
Tom: C

-7-6 6 5 6 4
I walk along the street

5 5 -4 -5
we used to walk.

-4 5 -5 -5 6 -6
Two by two lovers pass

-7 -8 7 -6 6 6
and as the're passing by,

-8 7 7 5
I could die 'cause

-8 7 7 5 -4
you're not here with me.

-6 -6 -7 -6 -6
Now the trees are bare,

6 -6 -6 -7 -6 -6
there's sadness in the air

6 -5 6 -6 -5 5 -4 4
And I'm as blue as I can be.

Refrain

-8 -9 -8 7 7 8 -7 8
Blue on blue, heartache on heartache.

-8 -9 -8 7 -7 8 -7 -6
Blue on blue, now that we are through,

-8 -9 -8 7 7 8 -7 8
Blue on blue, heartache on heartache.

-6 -7 7 -9 8 -7 -7-8 -7
And I find I can't get over you.

Verse 2

Night after lonely night we meet in dreams,
As I run to your side you wait with open arms.
Open arms that now are closed to me
Through a veil of tears
your vision disappears
And I am blue as I can be.
