Tom: G

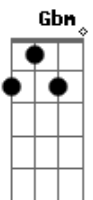

G  
 Go while the going is good  
Gbm  
 Knowing when to leave may be the smartest thing  
Am G  
 That anyone can learn, Go  
C G Bb7  
 I'm afraid my heart isn't very smart  
  
 Fly while you still have your wings  
 Knowing when to leave won't ever let you reach  
 The point of no return, Fly  
 Foolish as it seems, I still have my dreams  
  
D A7  
 So I keep hoping day after day as I wait for the man I need  
D A7 D  
 Night after night as I wish for a love that can be  
A7

Though I'm sure that no one can tell whether wishes and hopes  
 will be  
D A7 D  
 Somewhere I'm feel there is happiness waiting for me  
  
 When someone walks in your life, you just better be sure he's  
 right  
 'cause if he's wrong, there are heartaches and tears you must  
 pay  
 Keep both of your eyes on the door, never let it get out of  
 sight  
D A7 Bb7  
 Just be prepared when the time has come, you run away  
  
G Gbm  
 Sail when the wind starts to blow  
G Gbm  
 But, like a fool, I don't know  
Bb7 Gm Ab7  
 When to leave.....
