

Busted - Nineties

Tom: B
Intro: Bm G D A

[Primeira Parte]

I remember when I was so much younger

Hanging outside with my brother
Breathing on a Hypercolor shirt

And watch it changing colour
Friends that you had to find

Couldn't get them all online
In my room, I played guitar
Only played Oasis and Nirvana

[Pré-refrão]

Na-na-na-na-na-na
Na-na-na-na-na-na-na-na
Still takes me back to better days

[Refrão]

I miss the days of ditching school to watch The Goonies
When cigarettes would cost me less than the movies
And every day it slips away so far behind me
God, I miss the nineties

[Segunda Parte]

Those days are gone and I miss them so
Good songs on the radio

Rocking out to smashing pumpkins
Black and White, Macaulay Culkin

[Pré-Refrão]

Na-na-na-na-na-na-na-na
Na-na-na-na-na-na-na-na
Still takes me back to better days

[Refrão]

I miss the days of after school at Roller City
Now all we've got's the parking lot, it's such a pity
I used to pray we'd meet one day, Kelly Kapowski
God, I miss the nineties
I'll always miss the nineties

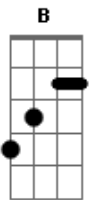

(Em G D A)
(C)
[Solo]

[Refrão]

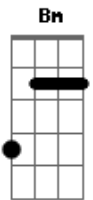

I miss the days of ditching school to watch The Goonies
When cigarettes would cost me less than the movies
And every day it slips away so far behind me
God, I miss the nineties
God, I miss the nineties
I'll forever miss the nineties (Oh!)
