

# By The Coast - I'll Get You Home

tom: Eb

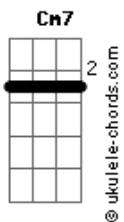

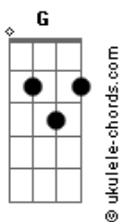

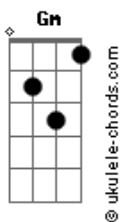

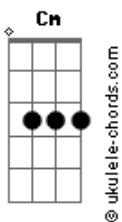

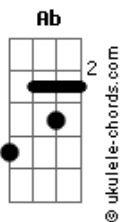

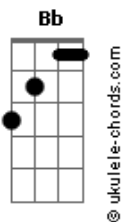

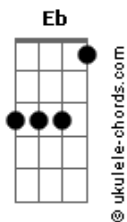

I'll get you home  
 When you are tired  
 Stand next to you  
 When you're in the fire  
 I'll get you home  
 ( Ab Eb Ab )

I'll tell the truth  
 When I'd rather lie  
 I'd rather be known  
 Than keep it inside

I'll get you home  
 Never leave you alone  
 And I will get you home  
 ( Ab Eb Ab )

If I could before

## Acordes

The sorrows we'd see  
 I'd love you again  
 I'd feel everything

I'll get you home  
 Never leave you alone  
 And I will get you

You will see a light  
 If you get too far  
 If you get too far from home

You will see a light  
 If you get too far  
 If you get too far from home

From home

I'll get you home  
 When you are tired
