

# Caburé Canela - Medo

Tom: B

m

Intro: Bm Gbm

Cada lugar  
Me dá vontade de chorar

Me dá medo, esperança e saudade

Se falo alto  
Tem quem tente me calar

Mas no meio da vontade  
Há coragem

Manda quem obedece

Cala quem tem juízo

Quem disse: Manéra rápa!

E meteu as cara

Eu nem te digo

A praça dessa batalha

É o coração do bandido

Da mocinha, do polícia

E de quem corre perigo

( Bm Gbm Gbm7 Gbm7 Gbm6 )

É farpa pra todo lado

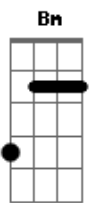

É treta entre os aliado

Quem diz que tá vacinado

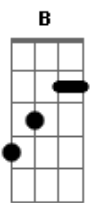

Nunca saiu do seu quadrado

Não
