Não estou a fim de bancar Champolion
 E decifrar teus sonhos, hieroglifos freudianos
 Fruto de teu esfíngico inconsciente
 Pois é o seguinte

Não acho uma boa dormir no ponto
 Dar uma de tonto e vomitar pelos divãs
 As coisas chãs e vãs tão próprias do cotidiano
 O negócio é armar uma doideira
 E ir pra Juliano Moreira
 Esconder-se no tempo fingir tocar piano
 Tal como Nazareth e terminar afogado
 Em algum lago, anônimo
 E terminar afogado em algum lago, anônimo
