

Cadillac Dinossauro'\$ - Domingo do Mal

Tom: **D**

(**Bm**)

(**Em**)

(**Bm**)

Poderia ser um domingo de sol
 Para me fazer esquecer todo mal
 Pensar e viver sem temer o amanhã
 Seria perfeito se fosse real

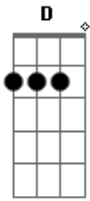

Eu vejo o campo florescendo à base de veneno
 E a água que bebemos é tão boa que acabou

G Mas o conforto está em primeiro lugar **Em**

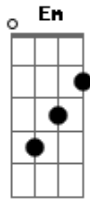

G Não interessa quantas árvores **A**
Bb (**Bm** **A**)
 vamos matar

Em
 Poderia ser um domingo de sol
