

Cadmium - Melody (feat. Jon Becker)

Tom: A
Intro: A E Gbm D

A
I can only imagine
E
How it is to be with you
Gbm
From the first day I saw your face
D
I knew this love was true
A
But you're already taken
E
Nothing I can do
Gbm
So I can only imagine
D
How it is to be with you
A E
I can only imagine us both loving through the night
Gbm D
I can only imagine us together side by side
A E
I can only imagine we're dancing in the moonlight
Gbm
I can only imagine
D
I can only imagine
A
I want to know
E
If you will be
Gbm
My favorite song
D
My little melody
A
If we could be
E
A symphony
Gbm
Then we would be
D
A perfect harmony
(A, E, F#, D)
(A, E, F#, D)
A
I don't want to live this way
E

I really wish we never knew
Gbm
Out of sight out of mind
D
I don't want to be with you
A
But the next time I saw your face
E
Nothing I can do
Gbm
I just have to face the truth
D
All I want is to be with you
A E
I can only imagine us both loving through the night
Gbm D
I can only imagine us together side by side
A E
I can only imagine we're dancing in the moonlight
