

Caetano Veloso & Gilberto Gil - Chuckberry Fields Forever

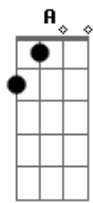

tom:

Intro: A7 D7 A Eb7 E7

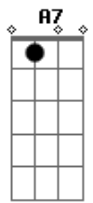

Trazidos d'África pra Américas de Norte e Sul
 Depois de tinto timbre tanto tonto tom tocou
 Imberbe garça branca, valsa do Danúbio Azul
 Tonta de tanto embalo, num estalo desmaiou
 Vertigem verga, a virgem branca tomba sob o sol
 Rachado em mil raios pelo machado de Xangô
 E assim gerados a rumba, o mambo, o samba, o rhythm'n'blues
 Tornaram-se os ancestrais, os pais do rock and roll
