E só Carolina não viu

(segundo verso, mesmas notas)

Carolina, nos seus olhos tristes

Guarda tanto amor

O amor de já não existe.

Eu bem que avisei, vai acabar

E de tudo lhe dei para aceitar

Mil versos cantei para agradecer

Agora não sei como explicar

(refrão 2)

Lá fora, amor

Uma rosa morreu

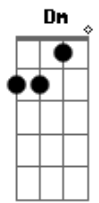

Uma festa acabou, nosso barco partiu

Eu bem que mostrei, a ela

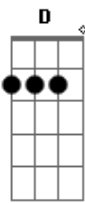

O tempo passou na janela

E só Carolina não viu
