

Caetano Veloso - Gema

Tom: Eb

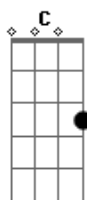

Brilhante e, de noite dentro da mata
 Na escuridao luz exata vejo voce
 Divina e, diamantina presenca
 Na solidao de quem pensa so em voce
 Esquecer nao revelacao deixa eu ver
 Pedra clarao da floresta
 Gema do olho da festa
 Deixa eu saber, meu amor
 Dona da minha cabeca

Nao nunca desapareca
 Do seu amor
 Esquecer nao, me perder nao
 Estrela e na praca negra da selva
 Gota de luz sobre a relva
 Meu bem querer
 Lua sol e, centro do meu pensamento
 Meu canto dentro do vento
 Busca voce
 Esquecer nao esconder nao
 Brilhante, e
