

Caetano Veloso - In The Hot Sun Of A Christmas Day

tom:
 Em
 They are chasing me
 In the hot sun
 Of a Christmas Day
 But they won't find me
 In the hot sun
 Of a Christmas Day
 I walk the streets
 In the hot sun
 Of a Christmas Day
 Everybody's blind
 In the hot sun

Of a Christmas Day
 I need my girl
 In the hot sun
 Of a Christmas Day
 She seems to love me, bliss
 In the hot sun
 Of a Christmas Day
 Machine gun
 In the hot sun
 Of a Christmas Day
 They killed someone else
 In the hot sun
 Of a Christmas Day

Acordes
