

Caetano Veloso - Luz e Mistério

Tom: D
Intro: G A Gbm F Em D

Oh! Meu grande bem
 Pudesse eu ver a estrada. Pudesse eu ter.
 A rota certa que levasse até dentro de ti.
 Oh! Meu grande bem.
 Só vejo pistas falsas. É sempre assim.
 Cada picada aberta me tem mais fechado em mim

És um luar. Ao mesmo tempo luz e mistério.
 Como encontrar. A chave desse teu riso sério.
 Doçura de luz. Amargo e sombra escura
 Procura em vão.
 Banhar-me em ti e poder decifrar teu coração.
 Grande mistério Meu bem, doce luz.
 Abrir as portas desse império teu.
 E ser feliz.
