

# Caetano Veloso - Meia Lua Inteira

Tom: A

Intro: A

Meia Lua inteira  
 Sopapo na cara do fraco  
 Estrangeiro gozador  
 Cocar de coqueiro baixo  
 Quando engano se enganou

São dim, dom, dão São Bento, grandes homens de movimento

Martelo do tribunal sumiu na mata adentro

Foi pego sem documento no terreiro regional

Poeira ra ra ra, Poeira ra ra ra

Terça-Feira, capoeira ra ra ra, tô no pé de onde der ra ra ra

Verdadeiro ra ra ra, Derradeiro ra ra ra

Não me impede de cantar ra ra ra ra, tô no pé de onde der ra ra ra ra

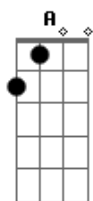

Bimba berimba a mim que diga  
 Taco de arame, cabaça, barriga

São dim, dom, dão São Bento, grandes homens de movimento

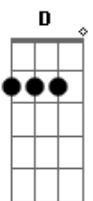

Nunca foi um marginal sumiu na praça a tempo

Caminhando contra o vento sobre a prata capital
