

Caetano Veloso - O Cu do Mundo

Tom: G

O furto, o estupro, o rapto pútrido
 O fétido seqüestro

O adjetivo esdrúxulo em U

Onde o cujo faz a curva
 (O cu do mundo, esse nosso sítio)

O crime estúpido, o criminoso só

Substantivo, comum

O fruto espúrio reluz

À subsombra desumana dos linchadores

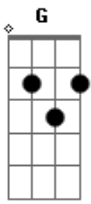

A mais triste nação

Na época mais podre

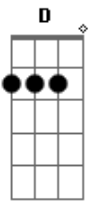

Compõe-se de possíveis

Grupos de linchadores
