

Caetano Veloso - O Samba e o Tango

Tom: D

Introdução: (Am E7(#9))

Chegou a hora, chegou chegou

meu corpo treme e ginga qual pandeiro

a hora é boa e o samba começou
e fêz convite ao tango pra parceiro.

Chegou a hora, chegou chegou

meu corpo treme e ginga qual pandeiro

a hora é boa e o samba começou

e fêz convite ao tango pra parceiro.

"Hombre yo no sé porque te quiero

yo te tengo amor sincero diz a muchacha do prata
péro no Brasil é diferente yo te quiero simplesmente

teu amor me desacata.

Habla castellano num fandango

argentino canta tango ora lento, ora ligeiro

e eu canto e danço sempre que possa

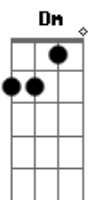

um sambinha cheio de bossa

sou do Rio de Janeiro.
