

Caetano Veloso - Onde o Rio É Mais Baiano

Tom: Bb

Bb Bbm Cm
A Bahi.....a,

Estação primeira do Brasil

Ao ver a Mangueira nela inteira se viu,
Exibiu-se sua face verdadei.....ra.

Que alegri.....a

Não ter sido em vão que ela expediu

As Ciatas pra trazerem o samba pra o Rio
(Pois o mito surgiu dessa manei.....ra).

E agora estamos aqui

Do outro lado do espelho

Com o coração na mão

Pensando em Jamelão no Rio Vermelho

Todo ano, todo ano

Na festa de Iemanjá

Presente no dois de fevereiro

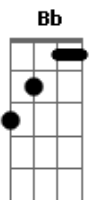

Nós aqui e ele lá

Isso é a confirmação de que a Mangueira

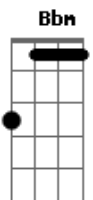

É onde o Rio é mais baiano.

É onde o Rio é mais baiano.
