

Caetano Veloso - Patrícia

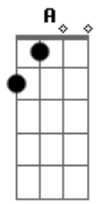

tom: A

Quero, quero ser chamada de querida
 Quero, quero esquecer o dissabor
 Sonho, sonho com as venturas desta vida
 Sonho, sonho com as delícias do amor

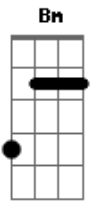

Falam que eu sou bela Patrícia
 Sempre a despertar loucas paixões
 Dizem que meus olhos quando olham têm também malícia
 Que com meu sorriso provocante eu machuco os corações

Mas bem sei que sou triste Patrícia
 Com a alma cheia de amargor
 Pois ainda estou a esperar de alguém, sincero amor
