

# Caetano Veloso - Sem Cais

Tom: C

**Dm Am G7**  
 Catei colo  
 E o mar parou  
 Fui deitando  
 Pra perguntar  
 Nome, bairro  
 Amigo, amor  
 De onde venho  
 Parar o mar

Seu sorriso  
 Bateu aqui  
 Inda posso  
 Me apaixonar

**Dm**  
 Quero tanto  
**F**  
 Quero tanto  
**G7**  
 Quero tanto você

**Dm**  
 Mar aberto  
**F**

**C Db7**

Mar adentro

Mar imenso  
**G7**  
 Mar intenso sem cais

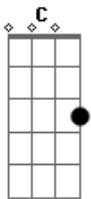

**C Db7 Dm**

Tou com medo  
 Tou com medo  
 Tou com medo  
 Tou com medo de ver  
 Que inda posso  
 Que inda posso  
 Que inda posso  
 Ir bem mais

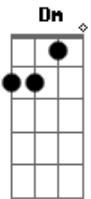

Barra, Gávea  
**E** Arpoador  
 Deuses brancos  
 De luz do mar  
 Deuses negros  
 Um esplendor  
 Quem é essa  
 E o que será

Quem me dera  
 Eu poder me dar  
 Todo a essa  
 Que eu nunca vi
