

Caetano Veloso - Tiranizar

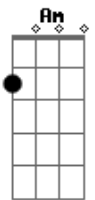

tom: C

Se você quiser me prender
 Vai ter que saber me soltar
 Você me parece dizer
 Que os dois somos um só lugar
 E que esse lugar é você
 E o resto não deve contar
 E é isso que eu chamo tiranizar

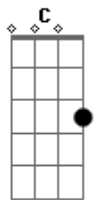

Desde o começo que o seu jogo é esse, eu não saquei
 Bem que eu mereço ser agora o grande otá - rio
 Pois hoje eu sei, todo descuido tem seu preço
 Eu vacilei, você traçou o itinerário
 Posso me achar longe ou perto de você
 Mas se eu deixar ficar assim, vou me perder

Escute o que eu vou lhe dizer
 Me prenda e você me perdeu
 Me deixe solto e eu sou todo seu
