

Caetano Veloso - Um Frevo Novo

Tom: C

G Em Am
 A praça Castro Alves é do povo
 como o céu é do avião
 um frevo novo, eu peço um frevo novo
 todo mundo na praça

D7 G
 e muita gente sem graça no salão
 Am D7 G
 Mete o cotovelo e vai abrindo o caminho
 Em Am D7 G7
 Pegue no meu cabelo pra não se perder e terminar sozinho
 C Db G
 O tempo passa mas, na raça eu chego lá
 Em Am D7 G G7
 É aqui nessa praça que tudo vai ter de pintar
