D **G7M**
Wake up, say a little prayer

Out of bed to the bathroom where

I take a look at myself and I stop and stare

And I wonder who is this standing here
Bm **G** **Em**
And I try to find the will to carry on
Bm **G** **Em**
Wonder how much longer I can carry on
A **Gb** **Bm** **A**
Cause these days they take so long, yes they do
D **G**
Hey, how are you true?
Gb **Bm** **A**
The light will guide you home, yes it will

Hey, how are you true?

Well there's one thing that you should know
A
Yes you should
Bm **E** **A**
You need love, you need love, you need love
Bm **Dbm** **Bm** **Em** **A**
You need love
Bm
All your days spend countin' numbers
E
'Til one day you'll find, day you'll find
Gb **Bm**
That life has passed you by
E
And in the quiet still of silence try to hide your eyes
Gb **Bm** **A**
Oh no so don't cry, oh no
D **G**

Hey, how are you true?

Gb **Bm** **A** **D**
The light will guide you home, yes it will

Well I can still remember, yes I was a young man too

Alone, but not forgotten and the candle shining through
Bm **G** **E** **Em** **Dbm**

Db
Still all these words I've spoken don't mean anything at all

Without love, without love, without love
