Cage The Elephant - Punchin' Bag

Tom: G
Intro:

(C E Am)

```
        Am            G            E            Am
She's a stone cold straight-faced killer and a lover
     C       E         Am      G      E            Am
And she won't put up with another brute who only wants to
bruise her
C       E           Am
Take her love and then abuse her
        C            E       Am
She won't take no more, won't take no more
C              E   Am
Won't take no more, won't take no more

G      G    Gb F E     E  F  Gb
Oh no ain't it a drag
G                   G  Gb F  E
If you take a swing, she swing back
                          Am
She say I'm not your punchin' bag

                 C              E
Heaven help ya I'm telling the truth
Am              C           E
Heaven help ya she's coming for you
Am              C          E
Heaven help ya the girl likes to fight
Am
Afraid of nothing and she carries a knife

           Am    C        E       Am
She said (oh no) I'm not your punchin' bag (oh no)
C          E       Am
```

```
I'm not your punchin' bag (oh no)
C          E       Am
I'm not your punchin' bag
```

```
                  Am
What kind of man are you?
    G        E            Am
Instead of kisses you gave bruises
C       E          Am
No more time for cheap excuses
     G       E         Am
If I were you, I would be leaving
C            E           Am
Best you go while you're still breathing
         C            E    Am
She won't take no more, won't take no more
C              E   Am
Won't take no more, won't take no more

G      G    Gb F E     E  F  Gb
Oh no ain't it a drag
G                   G  Gb F  E
If you take a swing, she swing back
                          Am
She say I'm not your punchin' bag

                 C              E
Heaven help ya I'm telling the truth
Am              C           E
Heaven help ya she's coming for you
Am              C          E
Heaven help ya the girl likes to fight
Am
Afraid of nothing and she carries a knife
