

Cage The Elephant - Right Before My Eyes

Tom: C
Intro: (Em Am G)
(C Em Am G) (2x)

Verse 1:
C Em
Timber shakes these trails they all derail
Am
Phony, false and frail
G C
An empty ocean lost our way with no direction home
Em
Golden needles names we take in vein
Am
Find it harder to remain
G
And nothings sacred still waiting on that explanation

Chorus:
C
Right before my eyes
G
I saw the whole world lose control
Am
The whole world lost control
F G
Before my eyes uh-huh
C
I fell through the floor
G
I couldn't take this anymore
Am
I can't take this anymore
F G
It breaks my mind uh-huh

Verse 2:
C Em
Hold your dirty hand over the flames
Am
Getting pleasure from the pain
G
Softly screaming the pistol that you raise has spoken
C Em
Golden needles names we take in vein
Am
Find it harder to remain
G

Well nothings sacred still waiting on that explanation

Chorus:
C
Right before my eyes
G
I saw the whole world lose control
Am
The whole world lost control
F G
Before my eyes uh-huh
C
I fell through the floor
G
I couldn't take this anymore
Am
I can't take this anymore
F G
It breaks my mind uh-huh

Bridge:
F Am
Everything I thought I knew fell to the side
F Am
Time went on and on I couldn't see past my on eyes
G
Past my eyes
Am
Past my eyes
G
Past my eyes
Chorus:
C
Right before my eyes
G
I saw the whole world lose control
Am
The whole world lost control
F G
Before my eyes uh-huh
C
I fell through the floor
G
I couldn't take this anymore
Am
I can't take this anymore
F G
It breaks my mind uh-huh
