

Cage The Elephant - Skin And Bones

Tom: G
Intro: Am F Dm F

[Verso 1]

Am F
Close my eyes and drift into the silence
Dm
Barely see the ultraviolet
F
Slipped and fell into the deep end
Am F
Oh, the sidewalk shimmer just like diamonds
Dm
All the empty words were flying
F
Well, the heart was low, but I never was alone
I never was alone

[Refrão]

Am C Dm F
I've been running for so long
Dm F
All that's left is skin and bones
Dm F
Close my eyes, fight to carry on
Am C Dm F
Sometimes it makes no sense at all
Dm F
If I stumble, will I fall?
Dm F
If I fall, I'll tuck and roll
Dm
Close my eyes and let the love-light guide me home
Dm
Let the love-light guide me home

[Verso 2]

Am F
One step fades and falls into another
Dm
I'm not getting any further
F
Left you feeling like an alien
Am F
All the shining sidewalks, they were lying
Dm
Lost myself while I was hiding
F
And the heart was low, but I never was alone
F

I never was alone

[Refrão]

[Ponte]

Dm F
Hearts are empty almost all the time
Dm F
Blind devising ways to lead the blind
Dm F
And it seems as if there's no end in sight
Dm F
I don't wanna be there when it all goes down
Dm F
But if I gotta be there, don't let me hit the ground
F
Can I hit the ground?
