

Cage The Elephant - Timber Me Shivers

Tom: D

(intro) D Gbm Bm A

(verso)

D
Timber Shakes
These trails they are derailed Gbm
Phony false and frail Bm

An empty ocean
A
Lost our way with no direction home D
Golden needles names we take in vein Gbm
Find it harder to remain Bm

Nothing sacred
A
Waiting on that explanation

(refrão)

D
Right before my eyes
(I)saw the whole world lose control A
The whole world lost control Bm
Before my eyes G
Uh huh A

D
I fell through the floor
(I)couldn't take it anymore A
I can't take this anymore Bm
Fix my mind G
Uh huh A

(verso 2)

D
Hold her dirty hands over the flames Gbm
Getting pleasure from the pain Bm
Softly screaming
A
The pistol that she raised has spoken
D
Golden needles names we take in vein Gbm
Find it harder to remain Bm
Nothing sacred

A
Waiting on that explanation

(refrão 2)

D
Right before my eyes
(I)saw the whole world lose control A
The whole world lost control Bm
Before my eyes G
Uh huh A

D
I fell through the floor

(I)couldn't take it anymore A
I can't take this anymore Bm
Fix my mind G
Uh huh A

(ponte)

G
Everything I thought I knew fell to the side Bm
Time went on and on G
Can't see past my own eyes Bm
Past my eyes A
Past my eyes Bm
Past my eyes A

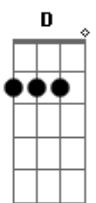

(refrão 3)

D
Right before my eyes
(I)saw the whole world lose control A
The whole world lost control Bm
Before my eyes G
Uh huh A

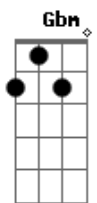

D
I fell through the floor

(I)couldn't take it anymore A
I can't take this anymore Bm
Fix my mind G
Uh huh A D
