tom:

Intro: E Gbm7 B E Gbm7 Gbm

[Primeira Parte]

It's a white as snow kinda love

Redemption red kinda grace

Love of a Father, kind, kind? Jesus

Calling? out my name

[Segunda Parte]

He? said, do not be afraid

Don't give? your song away

Weeping lasts a moment but

Joy is here to stay, it's here to stay

Ooh, whoa  
Ooh, whoa, whoa

[Refrão]

I lift my eyes up to the Heavens

And open wide to Your kindness

I breathe in deep what You promise

And let all the pain fall off my shoulders

[Ponte]

It's gonna rain joy, it's gonna rain joy

Seep right through my skin, down into my bones

It's gonna rain joy, it's gonna rain joy

Filling up my heart, right down to my soul

It's gonna rain joy, it's gonna rain joy

Seep right through my skin, down into my bones

It's gonna rain joy, it's gonna rain joy

Filling up my heart, right down to my soul

[Solo] A B E Gbm A B E

[Final]

Standing in a downpour

I'm standing in a downpour

Seep right through my skin, down into my bones

Seep right through my skin, down into my bones

Seep right through my skin, down into my bones

Standing in a downpour
