Tom: G

^C ^G
Everybody try to warm me
^{Em} ^D

We had a love just like the movies
^{Em} ^D
Put a spell right on my heart

^C ^G
I guess that I was too blind
^{Em} ^D ^C
I was too dumb to see it
^G
I didn't wanna be right
^{Em} ^D ^C
Guess I didn't wanna believe it

Pré-Refrão:

^G
I was going too slow
^{Em} ^D ^C
Watching life just pass me by, hey
^G
And now I'm going nowhere
^{Em} ^D
You're the reason why

Refrão:

It's something like an anchor
^{Em} ^D
That won't let go of me
^C ^G
It's something like an anchor
^{Em} ^D
Now I can barely breathe
^C ^G
I don't wanna go down
^{Em} ^D
If I do I'm gonna drown
^C ^G
It's something like an anchor
^{Em} ^D
I can't I can't

^C ^G
Now we're sitting at this table
^{Em} ^D
With nothing left to say
^C ^G
Say you wanna stay together
^{Em} ^D ^C
But I think it's just too late, Oh

^G
Cause I just wanna be free
^{Em} ^D ^C
I cannot do this forever, No
^G
No this is not me
^{Em} ^D ^C
I deserve something better
