

Cain's Offering - On The Shore

Tom: A

m (forma dos acordes no tom de Bm)

Afinação: D G C F A D

I know "forever" is asking too much
 But what if this moment is all that we've got
 What if the morning will leave us so frail
 Leave us alone to face another day
 I'm trying so hard but it's never enough
 You try to stay strong but the things can get tough
 We used to say that will never be us
 Now ashes to ashes and dust to dust

[Refrão]

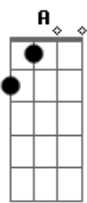

Anything you want, everything you need
 You can find it all in me
 But if I'm too much or I'm not enough
 When you've hoisted your canvass and you're ready to sail
 I wanna tell you please don't think that you've failed
 If your ship is too small and there is room for just one
 I will stay on the shore so you can move on

[Refrão]

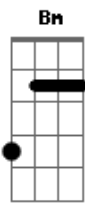

Anything you want, everything you need
 You can find it all in me
 But if I'm too much or I'm not enough
 I'm standing on the shore of my emotions
 Waiting for the water to rise and touch my soul
 And every forsaken night
 All I wanted was to be right by your side
 But you did not hear me
 For I never spoke aloud my mind
 I never cried
 Anything you want, everything you need
 You can find it all in me
 But if I'm too much or I'm not enough
 Anything you want, everything you need
 You can find it all in me
 But if I'm too much or I'm not enough
 I'm standing on the shore
