

Caio Klin - Fake Love Story

```
How many times that I need
               tom:
                                                             To let her go
               Dm (forma dos acordes no tom de Em )
               Afinação: D G C F A D
                                                                   D
Intro: G D Em C
                                                             And be on my own
      G D Em C
                                                             But it?s not easy for me
Once, twice
                                                              We?ve spent so much time thinking of what could be
I ll try
                                                              Planing our dreams to become reality
                                                              But this love story ends before this melody
How many times that I need
                                                             All I need is
To let her go
                                                              To be free from this pain that you caused in me
    D
And be on my own
                                                              I won?t be the guy you wanted me to be
    Fm
But it?s not easy for me
                                                              Why is so hard for you to understand that I am tired of this
We?ve spent so much time thinking of what could be
                                                              You don?t need my love
Planing our dreams to become reality
But this love story ends before this melody
                                                              So take care I'm moving on
