

# Caíque de Jesus - Tempo Que Deus Escolheu

tom:

A

Pra tudo que existe sob o céu

Existe um tempo que Deus escolheu

Meu coração precisa entender

Que a minha pressão não apressa Deus

Não é por força nem por violência não

Eu preciso aprender a crer e esperar

Me ajuda a guardar meu coração

E esperar o tempo chegar

Deus cuida de mim, Ele é o bom pastor

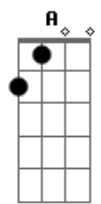

As bênçãos me alcançarão no tempo do Senhor

Deus irá cumprir o que prometeu

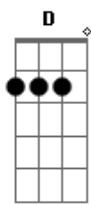

Eu vou confiar que um dia vai chegar

O tempo que Deus escolheu
