

Cake - Love You Madly

This is a great pop tune in **E** major. There are three guitar pieces in this song, and the mix is spiced with horn lines as well. Both the guitar and horn parts have been transcribed and are shown below, where the top line the electric guitar, and the bottom line is the horns. Listening to the track as it is recorded will help you figure out the rhythms. The order of the parts goes like the following:

- Intro: PART 1
- REST (First Half of Verse 1)
- PART 2 (Second Half of Verse 1)
- PART 3 (Chorus)
- Intro: PART 1
- REST (First Half of Verse 2)
- PART 2 (Second Half of Verse 2)
- PART 3 (Chorus)
- Interlude
- REST
- PART 2
- PART 3
- OUTRO
