

# Cake - Up So Close

Tom: C

Am Up so close, I never get to see your face.  
 G Microscope, I might as well be out in space.  
 Am Up so close, I never get to see the view.  
 G Down your throat, I'm never sure if it's still you.  
 Am Up your nose, down to your toes.  
 G In your mouth, way down south.  
 Am Up so close, it seems I only think of you.  
 G Up so close, I never see the sky so blue.

F I only wanted to be sure  
 G

That what it was was really pure.  
 I put my face down in the cake.  
 My feet were flailing in a lake.  
 (Strum F for a bit)

Am Up so close, I never get to see your face.  
 G Microscope, I might as well be out in space.  
 Am Up so close, I never get to see you.  
 G Microscope, I'm never sure if it's still you.

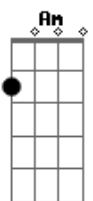

All the instrumental fills and the outro are

Am - Dm - G - C - Em
