

# Cake - When You Sleep

Tom: G

G C D (C half-beat)

When you sleep where do your fingers go?  
 What do your fingers know  
 What do your fingers show  
 Where do your fingers go

When you sleep  
 Do they tremble on the edge of the bed  
 Or do you fold them neatly by your head  
 Do they clench like claws against your own skin  
 When youre living your day al over again

When you sleep  
 When you sleep where do your fingers go?  
 What do your fingers know  
 What do your fingers show  
 Where do your fingers go

Do they play guitar in a latin bar  
 Are they strangers or lovers  
 Do they drive your car  
 Are they swimming submissively

Sex acts of life  
 Or just cutting through jello with a very sharp knife

C G  
 Now zeus was a womanizer  
 C D G  
 Always on the make  
 C D C D  
 But hera unusually punished her that zeus was one to take

When you sleep where do your fingers go?  
 Are they pulling out weeds from the dusty soil  
 But then never rewarded with the fruits of their toil  
 Are they scratching their nails on the chalkboards of death  
 Only seeking attention when everyone in the room has left

When you sleep  
 When you sleep where do your fingers go?  
 What do your fingers know  
 What do your fingers show  
 Where do your fingers go

When you sleep  
 Do they tremble on the edge of the bed  
 or do you fold them neatly by your head
