

Cake - When You Sleep

Tom: G

G C D (C half-beat)

When you sleep where do your fingers go?
 What do your fingers know
 What do your fingers show
 Where do your fingers go

When you sleep
 Do they tremble on the edge of the bed
 Or do you fold them neatly by your head
 Do they clench like claws against your own skin
 When youre living your day al over again

When you sleep
 When you sleep where do your fingers go?
 What do your fingers know
 What do your fingers show
 Where do your fingers go

Do they play guitar in a latin bar
 Are they strangers or lovers
 Do they drive your car
 Are they swimming submissively

Sex acts of life
 Or just cutting through jello with a very sharp knife

C G
 Now zeus was a womanizer
 C D G
 Always on the make
 C D C D
 But hera unusually punished her that zeus was one to take

When you sleep where do your fingers go?
 Are they pulling out weeds from the dusty soil
 But then never rewarded with the fruits of their toil
 Are they scratching their nails on the chalkboards of death
 Only seeking attention when everyone in the room has left

When you sleep
 When you sleep where do your fingers go?
 What do your fingers know
 What do your fingers show
 Where do your fingers go

When you sleep
 Do they tremble on the edge of the bed
 or do you fold them neatly by your head
