

# Calcinha Preta - Adeus Bye Bye

Tom: C

Intro: C Fm G

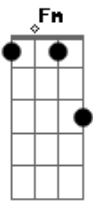

Não faz mal eu ficar só  
 Não tenha pena de mim  
 Eu já quis alguém assim  
 Não leve a mal, Não chores mas  
 Vai conhecer alguém vai  
 Que vai te amar também  
 E ser feliz no amor...

Não dá mais, meu coração  
 não te quer mais  
 Não quer mais te ver de novo  
 Tudo acabou, não me tens mais...  
 Vai conhecer alguém vai  
 Que vai te amar também  
 Estou indo embora  
 Adeus Bye Bye
