

Calcinha Preta - Adeus Bye Bye

Tom: C

Intro: C Fm G

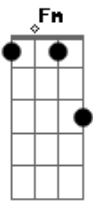

Não faz mal eu ficar só
 Não tenha pena de mim
 Eu já quis alguém assim
 Não leve a mal, Não chores mas
 Vai conhecer alguém vai
 Que vai te amar também
 E ser feliz no amor...

Não dá mais, meu coração
 não te quer mais
 Não quer mais te ver de novo
 Tudo acabou, não me tens mais...
 Vai conhecer alguém vai
 Que vai te amar também
 Estou indo embora
 Adeus Bye Bye
