 Your colourful skin contrasts with your lifeless eyes
 Em Am G F#7(#9) F7
 Invoking me some feelings that I can't restrain

 In a vibrant shade of red I'm drowning delighted
 Em Am G F#7(#9) F7
 It's a bittersweet taste of pain

F7 Am G F#7(#9)
 Your colourful skin contrasts with your lifeless eyes
 Em Am G F#7(#9) F7
 Invoking me some memories of a forgotten past
 Em Am G F#7(#9) F7
 As beautiful as red, shining upon the afternoon skies
 Em Am G F#7(#9) F

But beautiful colors can't last

(Bb A7 Gm Em)
 (E Gb Dm F F)

Em Am G
 Do you think it's fun to dance with the dead?
 F#7(#9) F7 Em
 Every motion eventually stalls
 Am G
 No response despite how much you call
 F#7(#9) F7 Em
 Perhaps you do not, well, but I care
 Em Am G
 I can no longer feel you breathe
 F#7(#9) F7 Em
 Only remember when you were alive
 Am G
 Because this was your wish, not mine
 F#7(#9) F7 Em
 My blood now be-gins to seethe
