

Call Me Karizma - Serotonin

Tom: G

[Verso 1]

Break the fuckin' ^{Cm} mirror 'cause I hate the image
 Every single ^{Ab} tear I cry is wasted liquid
 I fucked too many ^{Fm} girls to count, I ain't committed
 I guess bein' ^{Fm} an asshole was a bad decision

[Pré-Refrão]

Thanks haters I ^{Cm} love you, no one above you,
 I lost a ^{Ab} thousand friends to threads, like where's the undo?
 Tweetin' like I ain't ^{Fm} affected by the hate directed every
 second,

Maybe I should take the weapon BLAUW

[Refrão]

Where are you ^{Cm} going?
 My serotonin ^{Ab}
 I'm feelin' ^{Fm} alone and the world is so ^{Fm} cold
 It's hard to ^{Cm} focus
 Without ^{Ab} oxytocin
 Love is an ^{Fm} ocean I can't ^{Fm} control

[Verso 2]

Break up with my ^{Cm} girl because she doesn't trust me
 I don't fuckin' ^{Ab} blame her 'cause I trust in nothin'
^{Fm}

Mama held a bottle, daddy doesn't hug me
 All I ever wanted was someone to love me

[Pré-Refrão]

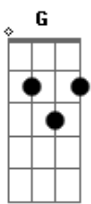

Thanks doctor I ^{Cm} need those, give me a free dose
 I took a ^{Ab} thousand happy pills but I'm still emo
 Actin' like I ain't ^{Fm} affected by the hate directed every second
 Maybe I should fuckin' ^{Fm} end it now

[Refrão]

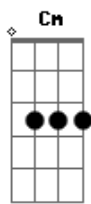

Where are you ^{Cm} going?
 My serotonin ^{Ab}
 I'm feelin' ^{Fm} alone and the world is so ^{Fm} cold
 It's hard to ^{Cm} focus
 Without ^{Ab} oxytocin
 Love is an ^{Fm} ocean I can't ^{Fm} control'

(^{Cm} ^{Ab} ^{Fm})
^{Cm}
 Chemicals, chemicals in my brain
^{Ab}
 Where'd you go, where'd you go anyways?
^{Fm}
 Left a hole where the bad wants to stay
^{Db}
 Everything, everything goes away
^{Cm}
 Chemicals, chemicals in my brain
^{Ab}
 Where'd you go, where'd you go anyways?
^{Fm}
 Left a hole where the bad wants to stay
^{Db}
 Everything, everything goes away
