

Calpurnia - Blame

Tom: G

GUITARRA 1

GUITARRA 2

My girl's on a train
 She's going far away
 She's never coming back
 She gives me heart attacks

Walking in the day
 Sunshine's on my way
 She's asking for a talk
 Running down the block

GUITARRA 1

GUITARRA 2

GUITARRA 1

GUITARRA 2

Walking up the stairs
 She doesn't even care
 She's the one that left
 Leading on the path

She left there torn
 Pierced like a thorn
 It was all my fault
 She forgot about the call

Db B
 I said that she's cliché
 Db D
 She said what did you say
 Db B
 Course I said nothing
 Db D
 Go sew your old buttons

In the garage
 I gave you your corsage
 It wasn't right
 I forgot about the fight
