

Calum Scott - Boys in The Street

tom:

C

When I was younger **C**

My daddy told me I would never **F**

Never amount to nothing special **C**

He'd come at me from every angle **F**

He'd say

You're the last thing I wanted **C**

The last thing I need **F**

How am I going to answer

When my friends tell me **Am G**

My son **F C**

Was kissing boys in the street **Am G**

My son **F C**

Was kissing boys in the street? **C**

He tried to change me **F**

Say I'm embarrassing my country **C**

How could I do this to my family? **F**

Do I wanna grow up being lonely?

He'd say **C**

We have worked for our money

We've put you in school **F**

Is this how you repay us?

Do you think this is cool? **Am G**

My son **F C**

Stop kissing boys in the street **Am G**

My son **F C**

Stop kissing boys in the street

Now that I'm older **C**

My daddy's heart's a little warmer **F**

But he still won't hug me like my brother **C**

And he still won't kiss me like my mother **F**

He'd say **C**

You are part of this family

I made you myself **F**

But the way that you act

Isn't good for your health **Am G**

My son **F C**

Stop kissing boys in the street **Am G**

My son **F C**

Stop kissing boys in the street **C**

My daddy's dying **F**

But he's finally realized I'm not lying **C**

We sit in silence, but we're smiling **F**

Because for once, we are not fighting

He'd say **C**

There was no way of knowing

'Cause all I was taught **F**

Is men only love women

But now I'm not sure **Am G**

My son **F C**

Keep kissing boys in the street **Am G**

My son **F C**

Keep kissing boys in the street **Am G**

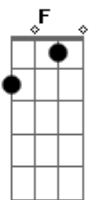

And when I'm gone **C**

Keep kissing boys in the street
