

# Calum Scott - Boys in The Street

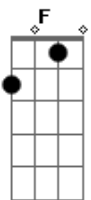

tom:  
 C  
 When I was younger  
 My daddy told me I would never  
 Never amount to nothing special  
 He'd come at me from every angle  
 He'd say  
 You're the last thing I wanted  
 The last thing I need  
 How am I going to answer  
 When my friends tell me  
 My son  
 Was kissing boys in the street  
 My son  
 Was kissing boys in the street?  
 He tried to change me  
 Say I'm embarrassing my country  
 How could I do this to my family?  
 Do I wanna grow up being lonely?  
 He'd say  
 We have worked for our money  
 We've put you in school  
 Is this how you repay us?  
 Do you think this is cool?  
 My son  
 Stop kissing boys in the street  
 My son  
 Stop kissing boys in the street

C  
 Now that I'm older  
 F  
 My daddy's heart's a little warmer  
 C  
 But he still won't hug me like my brother  
 F  
 And he still won't kiss me like my mother  
 He'd say  
 C  
 You are part of this family  
 I made you myself  
 F  
 But the way that you act  
 Isn't good for your health  
 Am G  
 My son  
 F C  
 Stop kissing boys in the street  
 Am G  
 My son  
 F C  
 Stop kissing boys in the street  
 C  
 My daddy's dying  
 F  
 But he's finally realized I'm not lying  
 C  
 We sit in silence, but we're smiling  
 F  
 Because for once, we are not fighting  
 He'd say  
 C  
 There was no way of knowing  
 'Cause all I was taught  
 F  
 Is men only love women  
 But now I'm not sure  
 Am G  
 My son  
 F C  
 Keep kissing boys in the street  
 Am G  
 My son  
 F C  
 Keep kissing boys in the street  
 Am G  
 And when I'm gone  
 C  
 Keep kissing boys in the street
