

Calum Scott - Rise

tom:

Bb

I've been staring at the coastline
Gm7
Thinking of every choice I've made
Eb
To lead me here right now
F F
Standing on solid ground
Bb
And I've been hiding in the shadows
Gm7
Wondering if I'm on the right road
Eb
Some place I've never been
F F
Is this how it all begins?

Oh-oh
Bb
Cause I've got my best suit on and I'm ready
Gm7 **Eb**
I've got my sleeves rolled up and I'll be on my way
F F
While my heart's thumping, boom-boom, boom-boom

You're gonna see me rise
Eb F F
Oh, and rise, rise, rise, rise

Bb Gm7
For every valley, there's a mountain
Gm7
For every answer, there's a new question
Eb
Is it worth all this?
F F
I'm pushing myself to the edge
Bb
Cause we're all looking for a reason
Gm7
Find a shelter from the storm within
Eb
Just keep your eyes ahead
F F

And dust yourself off again

Oh-oh

Bb
Cause I've got my best suit on and I'm ready
Gm7 **Eb**
I've got my sleeves rolled up and I'll be on my way
F F
While my heart's thumping, boom-boom, boom-boom

Bb Gm7
You're gonna see me rise
Eb F F
Oh, and rise, rise, rise, rise

Bb
Oh, 'cause I've got my best suit on and I'm ready
Gm7 **Eb**
I've got my sleeves rolled up and I'll be on my way
F F
While my heart's thumping, boom-boom, boom-boom

F Eb
You're gonna see me rise
F Gm7
You're gonna see me rise
F Bb
Not how you fall back down
Bb
But how you get back up
F F
Before you hit the ground

Bb Gm7
You're gonna see me rise
Eb F F
Oh, rise, rise, oh rise, yeah

Bb Gm7
(Oh, rise, rise, rise)
Eb
You're gonna see me rise
F F
(Rise, rise, rise)
Bb
You're gonna see me rise
