[Katy Perry]
Ah, yeah
[Pharrell Williams]
Hey!

Now, nothing ever last forever, no
One minute you're here and the next you're gone
So I respect you, wanna take it slow

I need a mental receipt to know this moment I owe

[Pharrell Williams]
Do you mind if I steal a kiss, tho? (Chop, chop)
A little souvenir, can I steal it from you?
To memorize the way you shock me

The way you move it here (hey)
Just wanna feel it from you (hey)

[Katy Perry]

Don't be afraid to catch feels
Ride drop top and chase thrills (hey)
I know you ain't afraid to pop pills (hey)
Baby, I know you ain't scared to catch feels
Feels with me

[Pharrell Williams]

I'm your window shopper, sucker for your love, oh
I'm wearing your goggles, virtual reality
It ain't what it cost you, it might be a dollar
As long as it shocks you, memory, electricity

[Pharrell Williams]

Do you mind if I steal a kiss, tho? (Chop, chop)
A little souvenir, can I steal it from you?
To memorize the way you shock me
The way you move it here (hey)
Just wanna feel it from you (hey)

[Katy Perry]
