

Calvin Harris - Pray To God

Tom: Bb

(com acordes na forma de G)

Capostrate na 3ª casa

Intro: C Em B

Oh, I remember when this road was mine
Oh, I pray to God, I just don't know anymore
I pray to God, I just don't know anymore
Anytime, I lost the feeling but I try to hold on
I thought the end of a love it would made you strong
I pray to God, I just don't know anymore

When there's no getting through
I won't hold back
I will throw down everything in life I know now

I've been lying on the floor
Sleeping on the ground
I will give up everything in life I know how

Cause I can't stop wondering if I was
Too late to see the sings

If I could go back with hands up
I'd look up to the sky

And give in
I give in
I give in
I'd give in to you, give in to you

Oh, when the moon was shinning bright before mornin'
I made a deal with the stars to kept holding
And shine and bright to come and bring me back home

The lights in my eyes, they disappeared

All visions in my mind are not to keep me from fear
I won't let it hold me down the other way around
I don't want the words to I can't make a sound

Cause I can't stop wondering if I was
Too late to see the sings

If I could go back with hands up
I'd look up to the sky

And give in
I give in
I give in
I'd give in to you, give in to you

Can't hold back, reaching out
I I I was living in the heat of the moment

Between us, I told you that
I I I was living in the heat of the moment

I gave in, I I I was living in the heat of the moment
I gave in, I I I was living in the heat of the moment

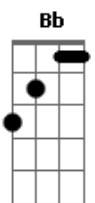

I gave in, I I I was living in the heat of the moment
I gave it to you, gave it to you

And give in
I give in
I give in
I'd give in to you, give in to you

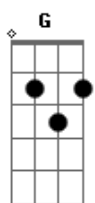

And give in
I give in
I give in
I'd give in to you, give in to you
