

# Calvin Harris - Summer

Tom: G

When I met you in the summer C Em D  
 To my heartbeat sound Am G C  
 We fell in love C Em D  
 As the leaves turned brown Am G C  
 We could be together baby C Em D  
 As long as skies are blue Am G C  
 You act so innocent now C Em D  
 But you lied so soon Am G C  
 When I met you in the summer C Em D

When I met you in the summer C Em D  
 To my heartbeat sound Am G C  
 We fell in love C Em D  
 As the leaves turned brown Am G C  
 We could be together baby C Em D  
 As long as skies are blue Am G C  
 You act so innocent now C Em D  
 But you lied so soon Am G C  
 When I met you in the summer C Em D  
 Summer Am G C
