

Calvin Harris - We'll Be Coming Back

Tom: G

We took it all apart
 But I'm wishing I'd stayed
 In the back room something I heard you say
 We didn't want to call it too early
 Now it seems a world away
 But I miss that day, are we ever gonna feel the same?

Refrão:

Standing in the light till it's over
 Out of our minds
 Someone had to draw a line
 We'll be coming back for you one day
 We'll be coming back for you one day
 I don't even care if I know you
 Out of our minds
 sad to leave it all behind
 We'll be coming back
 We'll be coming back for you one day

Instrumental Chorus:

C D Em Am

Verso:

You can see it from afar
 We were riding that wave
 Blinded by the lights, and it's something not great
 We didn't want to call it too early
 Now it seems a world away
 But I miss that day, are we ever gonna feel the same?

Standing in the light till it's over
 Out of our minds
 Someone had to draw a line
 We'll be coming back for you one day
 We'll be coming back for you one day
 I don't even care if I know you
 Out of our minds
 sad to leave it all behind
 We'll be coming back
 We'll be coming back for you one day

Ponte:

Gonna rise, gonna fall, getting pulled apart
 And we all do it all cause it stole our hearts
 Gonna rise, gonna fall, getting pulled apart
 And we all do it all cause it stole our hearts

Refrão:

Standing in the light till it's over
 Out of our minds
 Someone had to draw a line
 We'll be coming back for you one day
 We'll be coming back for you one day
 I don't even care if I know you
 Out of our minds
 sad to leave it all behind
 We'll be coming back
 We'll be coming back for you one day
