G  
Am I out of my head?  
Am I out of my mind?  
If you only knew the bad things I like  
Don't think that I can explain it  
Dm What can I say, it's complicated  
C Don't matter what you say  
Am Don't matter what you do  
C I only wanna do bad things to you  
C So good, that you can't explain it  
Dm What can I say, it's complicated  
C  
Nothing's that bad  
G If it feels good  
F So you come back  
C Like I knew you would  
F And we're both wild  
C And the night's young  
Am And you're my drug  
G Breathe you in 'til my face numb  
C Drop it down to that bass drum  
G I got what you dream about  
F Nails scratchin' my back tatt  
C Eyes closed while you scream out  
F And you keep me in with those hips  
C While my teeth sink in those lips  
Am While your body's giving me life  
G And you suffocate in my kiss  
Then you said  
C  
I want you forever  
G Even when we're not together  
F Scars on my body so I can take you wherever  
F I want you forever  
C Even when we're not together  
Am Scars on my body I can look at you whenever
